

Mapleseed Gallery Wood Cream with Organic Beeswax

• Perfect for all your kitchen woodenware • 2oz (56g) •

About: **Now Available:** Artisan hand-blended in small batches, **Mapleseed Gallery Wood Cream with Organic Beeswax** is perfect for all your kitchen woodenware. Designed to help protect, revitalize, and beautify, this rich wood cream will give your woodenware a beautiful satin lustre hand-rubbed look and feel.

Usage: Use it regularly to care for your wood bowls, cutting boards, butcher blocks, pepper mills, knife blocks, utensils . . . and much more.

Ingredients: Made in Canada, **Mapleseed Gallery Wood Cream with Organic Beeswax** is made with organic beeswax, organic carnauba wax, food grade mineral oil, and a unique blend of pure essential oils of lemon and tea tree. That's it . . . nothing else . . . no toxic solvents, chemical dryers, colourants, preservatives or other additives.

- The organic beeswax and organic carnauba wax used in this product are organic certified by the USDA and Quality Assurance International
- The food grade mineral oil used in this product meets or exceeds standards set by the USFDA, USP and is registered under NSF

Application: **Mapleseed Gallery Wood Cream with Organic Beeswax** can be used as a kitchen-safe sole wood finish (with regular re-applications) or as a top coat finish to refresh and protect your woodenware.

To use, apply liberally to surface of wood and rub in along the grain. Let set for approximately 30 minutes, wipe off excess cream with a clean paper towel, and hand buff to a satin sheen. Reapply as needed (e.g. after washing, when wood looks or feels dry, etc.)

Availability: Available in a conveniently sized 2 oz (56 g) plastic jar, **Mapleseed Gallery Wood Cream with Organic Beeswax** can be purchased online in our **ArtFire eStore** (www.mapleseedgallery.ca), in Downtown Owen Sound at **Fulford Kitchenware Bathware Hardware**, and most Saturday mornings at the **Owen Sound Farmers' Market**.
